Attorney's Docket No.: 10575-002001

REMARKS

Applicant has amended claims 14 and 35 to comply with suggestions made by the Board of Patent Appeals and Interferences in the decision dated March 29, 2005 on pages 18 and 9 respectively. The Board noted that claim 33, unlike claim 71, did not include responses being relatively priced. Applicant has amended claim 35 to depend on claim 33 and recite that at least some of the responses specify the price, as a relative price with a price improvement with the relative price being relative to a generally accepted indicator of a prevailing current market price for the product.

No fee is believed due. If a fee is due, please apply that fee and any other charges or credits to deposit account 06-1050.
